ABOUT LUBBOCK DREAM CENTER

The Lubbock Dream Center exists to see social and spiritual transformation come to our city. We desire to see the hearts and minds of people transformed by the Word of God and by the love and acceptance of the body of Christ. We take people from dependence to a place of responsibility by meeting people's basic needs and building relationships with them. This opens the door for spiritual needs to be met, which in turn brings social transformation, resulting in life pattern changes, economic rise, and neighborhood improvements.
